

## Notice to North Andover Residents

As of Monday, March 30, 2009 the town recycling center moved. The drop-off center is now at the **TBI Facility/Northside Carting located at 210 Holt Road, North Andover** (on the left off of route 125 heading towards Bradford). Hours of operation are **Monday through Friday 6:00AM to 6:00PM and Saturday 8:00 AM to 2:00 PM. Closed Sunday.**

All recyclables, with the exception of waste oil, should be taken to the drop off facility. Please call the facility to schedule an appliance (see the list on the reverse side for details) pick-up or if you have a question about leaving a bulky item\* out on your scheduled trash day. All other items that had previously been taken on the first and third Saturday will no longer be accepted at the Department of Public Works (DPW) but will be accepted at the TBI facility. **Waste oil (and oil filters) will continue to be accepted at the DPW on the first and third Saturdays from 9:00 AM to 12:00 NOON.**(there is a fee for this service)

**The telephone number for TBI Facility/Northside Carting is 978-686-8604.**

## Weekly single-stream recycling is here!!

CHECK OUT THE RECYCLING AT A GLANCE LINK for the "how to" of recycling

- Single-stream recycling means that all recyclables may be placed in one covered container that has been marked as recycle or recycling.
  - Town of North Andover red bins may still be used or stop by the DPW Office and pick-up green recycling stickers for your own bins or barrels. (please do not use a container larger than 64 gallons or that will weigh more than 50 pounds when full)
  - Please pack barrels loosely so that the items will easily fall out when tipped to be emptied. (especially when recycling cardboard and other stiffer items)
  - Both trash and recycling are now picked up every week – placed curbside by 7am.
  - Please place the recycling separately away from your trash – like the opposite side of the driveway if possible.
  - If you have any question or concerns you may call TBI/Northside Carting 978-686-8604 or the DPW. 978-685-0950
